The Inland Empire Center for Entrepreneurship is pleased to announce a unique new program that provides services designed for and targeted to woman business owners. The program promotes the growth of women-owned businesses through mentoring, business training and counseling services, and assists women business owners with management issues, business startup, gaining access to capital and federal contracts. In addition, the program provides targeted services to Latina business owners by providing services in English and Spanish.

*The IEWBC is a cooperative program between IECE and the US Small Business Administration. This U.S. Small Business Administration Cooperative Agreement is partially funded by the SBA. SBA's funding is not an endorsement of any products, opinions, or services. All SBA funded programs are extended to the public on a nondiscriminatory basis.*
